Dear Mr. Cox

On Friday 21st December 2007 at 18:25 there was a Public Order incident which occurred in the Millenium Chicken Take Away premise in Lichfield, where it was necessary for a Police Officer to use CS spray.

A member of your security staff who was at the nearby Après bar in Lichfield came to assist Police in the arrest of an offender, however, unfortunately walked into CS spray. He was visited afterwards to ensure that he had made a full recovery.

I would like to take this opportunity to make yourself aware and for you to personally pass on my thanks to your member of staff namely Dennis Baston for the positive action he took in assisting PC Jon Ratcliffe at this incident.

Yours sincerely

Inspector J. Staite
